Jim Gumpert has been the building manager for Whitney Mansion Condominiums for the last few years. As one of the owners of a condo in this building, I have had the opportunity to work closely with Jim on a variety of projects. He has shown himself to be dedicated not only to getting the job done, but getting it done properly. When we have had issues that needed to be dealt with quickly, Jim was immediately on site whether it was a weekday or the weekend. When we have had multiple projects underway, he has put in extra time to ensure that the projects move forward. And Jim is scrupulously honest (I know – I am the Treasurer of our HOA). I would unhesitatingly recommend any HOA looking for someone to manage their property to contact Jim Gumpert.
